

I am a
Vincentian.

We are a network of friends, inspired by Gospel values, growing in holiness and building a more just world through personal relationships with and service to people in need.

We are changing the world through our spirituality, friendship, and service through an international network of charity.

We are more than volunteers.
We are living out our Vocation.
We are Vincentians.

We are men and women who strive to grow spiritually by offering person-to-person service to neighbors in need. We are **one Society**; our members represent all ages, races, incomes, and all are gifted with awareness that the blessings of our time, talent, and treasure are to be shared with neighbors in need.
