

(Touch forehead and hold)

In the name of the Father

May we see one another,
The visible and the invisible, the great and the small,
To the left of us, to the right of us, before us, and behind,
All of us created in Your image,
Each of us willed, each of us loved, each of us necessary.

(Touch heart and hold)

In the name of the Son

May we love one another,
The thirsty, the hungry, the naked,
The prisoner, the stranger, the sick,
The poor in spirit, and all those that mourn,
Each of us neighbors, each of us friends, each of us brothers and sisters.

(Touch left shoulder and hold)

In the name of the Holy Spirit

May we serve one another,
With trust in providence,
Our hearts on fire

(Touch right shoulder and hold)

With faith in God's word,
With hope in God's promise,
And for the love of God

(Fold hands)

Above all things.

Amen
