

The Alice Garvey Excellence in Youth Award – Nomination

This year The Society of St. Vincent de Paul lost a beloved servant leader and friend, Alice Garvey. Throughout her time with the Society she perfectly embodied the youth spirit and the Vincentian Way. Alice dedicated her time to being an advocate for youth in the Society while she served in a variety of leadership positions throughout her time as a Vincentian. As a lifelong educator, Alice was a member of the National Youth Committee and was passionate about bringing young people into the Society.

In honor of Alice, the National Youth Committee would like to introduce **The Alice Garvey Excellence in Youth Award**. We would like to invite Council presidents to nominate a young person who serves The Society in their area who, like Alice, embodies leadership, dedication, and passion towards the Vincentian charisms of spirituality, friendship, and service.
